

International & Marine Capability

Bespoke English joinery for exceptional homes, refits and marine interiors.

CONCEPT VISUALISATION — NOT A COMPLETED YACHT PROJECT

ONE WORKSHOP. ONE RESPONSIBILITY. WORLDWIDE DELIVERY.

Designed, made and dry-fitted in Suffolk.

Reeve & Co Interiors is a Suffolk workshop of cabinet makers, designers and fitters. We make bespoke architectural joinery, fitted furniture and kitchens for private residences abroad, and selected yacht and refit commissions, delivered to yard or site by our own team.

MARINE & REFIT CAPABILITY

- Curved and shaped work, exact tolerances and detailed CAD approval
- Book-matched veneers, fine hardwoods and hand-applied finishes
- Weight-conscious construction, stable substrates and appropriate finishes
- Break-down sections planned for companionways, lifts, cranes and yard access

INTERNATIONAL DELIVERY

- Survey in person or work from architect drawings and laser-scan data
- Full workshop drawings, samples and written sign-off before manufacture
- Dry-fit before dispatch, museum-grade export crating and insured freight
- Our own fitters travel to install, co-ordinated with the main contractor or yard
